

PARENTAL/GUARDIAN CONSENT

_____, a minor child 13 years or older, wishes to participate as a volunteer at Good Mojo Thrift Store or for a ForKids special activity. ForKids/Good Mojo volunteerism involves activities both on and off the premises of ForKids' properties. As the minor's parent/legal guardian, I hereby consent to his/her participation in the volunteer activity without my direct supervision (minor to be unaccompanied during volunteer hours).

I am not aware of any physical or medical condition that would interfere with the child's ability to participate. If the child is injured or becomes ill and neither I nor any other parent/guardian identified below can be reached, I give ForKids permission to see medical attention for the minor.
